Wednesday 16th December 2020

Dear Parent/Carer,

I am writing to you about a few things as we finish the term.

Covid cases during the holidays

It is important for you to be aware that you must continue to contact the Academy if your child has a positive test result, up to and including Wednesday 23rd December.

Following guidance from the DfE, please note the following:

Parents/carers must inform the school if their child develops symptoms within 48 hours of being in school (for BBA students this includes Thursday 17th and Friday 18th December). School staff will be contacting close contacts of any confirmed cases up to and including Wednesday 23rd December.

These guidelines are in place so that we can continue to carry out tracing of students/staff who confirmed cases may have been in close contact with. Please do ensure that we are made aware so that students/staff who would need to self-isolate can be informed and therefore we can try to keep everyone as safe as we possibly can over the holidays.

ATL & Student Reports

Year 7 Students ATL's and reports are being posted home today.

Year 8 and 9 Students ATL's were given to students today.

Year 10 Students ATL's and reports will be given out when we return after Christmas.

Reports will be issued to Year 11 Students in January and will include their mock exam results.

Students return to the academy on Tuesday 5th January. I'd like to take this opportunity to wish you all a very merry Christmas, and a happy new year.

Yours Sincerely,

Mrs S Bailey
Principal
