Introduction

What are non-examination assessments?

“Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- *task setting;*
- *task taking;*
- *task marking.”*

What does this policy affect?

This policy affects the delivery of subjects of reformed GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulator’s definition of an examination is very narrow and in effect any type of assessment that is not:

- Set by an awarding body
- Designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)
- Is classified as non-examination assessment (NEA)

NEA therefore includes, but is not limited to internal assessment. Externally marked and/or externally set practical examinations taken at different time across centres are classified as NEA

Instructions for the setting, supervision, authentication, marking, internal standardisation and external moderation of non-examination assessments for use in the vocational and technical qualifications listed are provided in the JCQ document *Instructions for conducting non-examination assessments (Vocational and Technical Qualifications)*.

(JCQ publication [Instructions for conducting non-examination assessments](#)– Foreword)

This publication is further referred to in this policy as [NEA](#)

Purpose of the policy

This policy confirms the JCQ requirement that **Bluecoat Beechdale Academy** has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments including controlled assessments and coursework, which includes how candidates' work will be authenticated.

Awarding bodies require each centre to have a non-examination assessment policy in place to:

- *cover procedures for planning and managing non-examination assessments*
- *define staff roles and responsibilities for non-examination assessments*
- *manage risks associated with non-examination assessments*

(NEA 1)
